No. 568

From,

Rajamantrapravina

V. Sreenivasiengar, Esq.,

Chairman, B.C.L. Railway Company,

Bangalore.

To,

J.S. Chakravarti, Esq., M.A., F.R.A.S.,

Secretary to the Government of Mysore in the

Financial Department,

Bangalore.

Sir,

I have the honor to state that in order to enable the Directors to show a collection of at least 4 lakhs of rupees which is the minimum laid down in Railway Secretary's letter No.443 dated 4th March 1911, calls are being issued to all shareholders for early payment of moneys due by them.

In order to inspire them with confidence it is desirable that collections made from them should be deposited in the Government Treasury to be subsequently withdrawn with the sanction of Government as occasion arises ~~for expenses~~. This I believe is the best course to adopt in the interests of all concerned and is also in accordance with the intention of -- Government.

Pending final approval of the "Draft Contract" and its execution by the Company I request that you would be so good as to obtain the early orders of Government on the above proposal so as to enable me to assure the shareholders that the procedure therein indicated will be followed in regard to all moneys paid by them in pursuance of the calls under issue.

I have the honor to be,

Sir,

Your most obedient servant,

V. Sreenivasiengar

Bangalore,

5th April 1911.

Dear Mr. Chakravarti,

I return with thanks the "Draft Contract" you kindly sent me with your D.O. dated 24th March 1911.

With reference to paras 30 and 31 thereof which however I cannot quote since the Draft has not been finally adopted, I am this day officially addressing Government in the Financial Department for orders authorizing the receipt into the Government Treasury of all moneys paid by shareholders in response to the calls now under issue. I shall feel obliged if you will kindly expedite orders -- pending which I am delaying the publication of a notice to all concerned, in which it is desirable to include the fact of the Government having kindly agreed to receive and hold share moneys as deposit in the Government Treasuries.

Yours sincerely.

C Srinivasiengar
